Pastor's Corner

BE A DISCIPLE AND AN APOSTLE OF JESUS IN YOUR HOME

The home is designed by God to be a place where the husband, wife, and children should live peacefully, joyfully and successfully. The power that makes this possible lies in Discipleship and Apostleship training. Unfortunately, the lack of this training is bedeviling many people in marriage and thereby causing damage to peace, harmony, and unity in the home.

The need for Discipleship and Apostleship in the life of every child of God cannot be over-emphasized as far as marriage is concerned. It is only a well disciplined person that can make and sustain peace at home, leading to expected newness. So, a proper Discipleship training breeds newness of life.

Brethren, God is calling you to be with Him this year more than ever before. The purpose of calling you is to mould, shape, and prepare you as His disciple, so that you can be His apostle in your home for freshness and newness of God's grace, glory, and goodness to change lives as well as to make home better. May you be available and worthy for this assignment in Jesus' name.

Happy 2024 Focus Week.
