FAITHFUL OBEDIENCE

Obedience is a call of God to every believer in Christ Jesus. It is expected that children of God will respond to this call faithfully. This is in line with what Oswald Chambers, a well-known Christian Evangelist said, "The golden rule for understanding spiritually is not intellect, but obedience". The obedience that is faithful.

Noah's faithful obedience is very instructive for Christians to live faithfully in obedience today. The story of Noah and the flood is just about faithful obedience as well as the man who listened to GOD even when the world around him failed to obey. This is how Christians ought to distinguish them in our contemporary time.

Brethren, faithful obedience is possible and practicable if you have a trustful and loving relationship with God . Mind you, Noah obeyed GOD faithfully and God was faithful to him as well. Therefore, your faithful obedience can prevent you and your family from perishing. May we not perish in Jesus' name.

Full Obedience is Key to My Breakthrough!!

The Key to My Breakthrough, is Full Obedience!!
