Pastor's Corner

THE DOCTRINE OF THE SECOND COMING OF CHRIST

We thank God for the privilege to observe 2024 Annual Bible Study. The essence of this Study is to enlighten Baptist members across the country and beyond on crucial biblical themes or books of the Bible for better understanding and life application. May God help us to fulfill this purpose in Jesus' name.

The theme for this year is very instructive to us as Christians because it seems we have forgotten the second coming of Christ by the way we live our lives daily.

Meanwhile, the doctrine of the second coming of Christ dotted the Gospels and other New Testament writings. Unfortunately, the doctrine has been one of the most controversial and misunderstood issues of the Christian faith since the Early Church.

Brethren, this study is essential to prepare you for the certainty and reality of Christ's return. It will further help you to identify and correct the wave of wrong teachings in the society. Thus, live your life daily as if Christ is coming today. May we be found worthy at His return in Jesus' name.

Full Obedience, is Key to My Breakthrough!!
