

BE A DISCIPLE & APOSTLE CHRIST IN YOUR HOME

MARK 3:13-15

THE THEME FOR WMU FOCUS WEEK THIS YEAR IS

**ENTERING INTO
NEWNESS THROUGH
DISCIPLESHIP AND
APOSTLESHIP.**

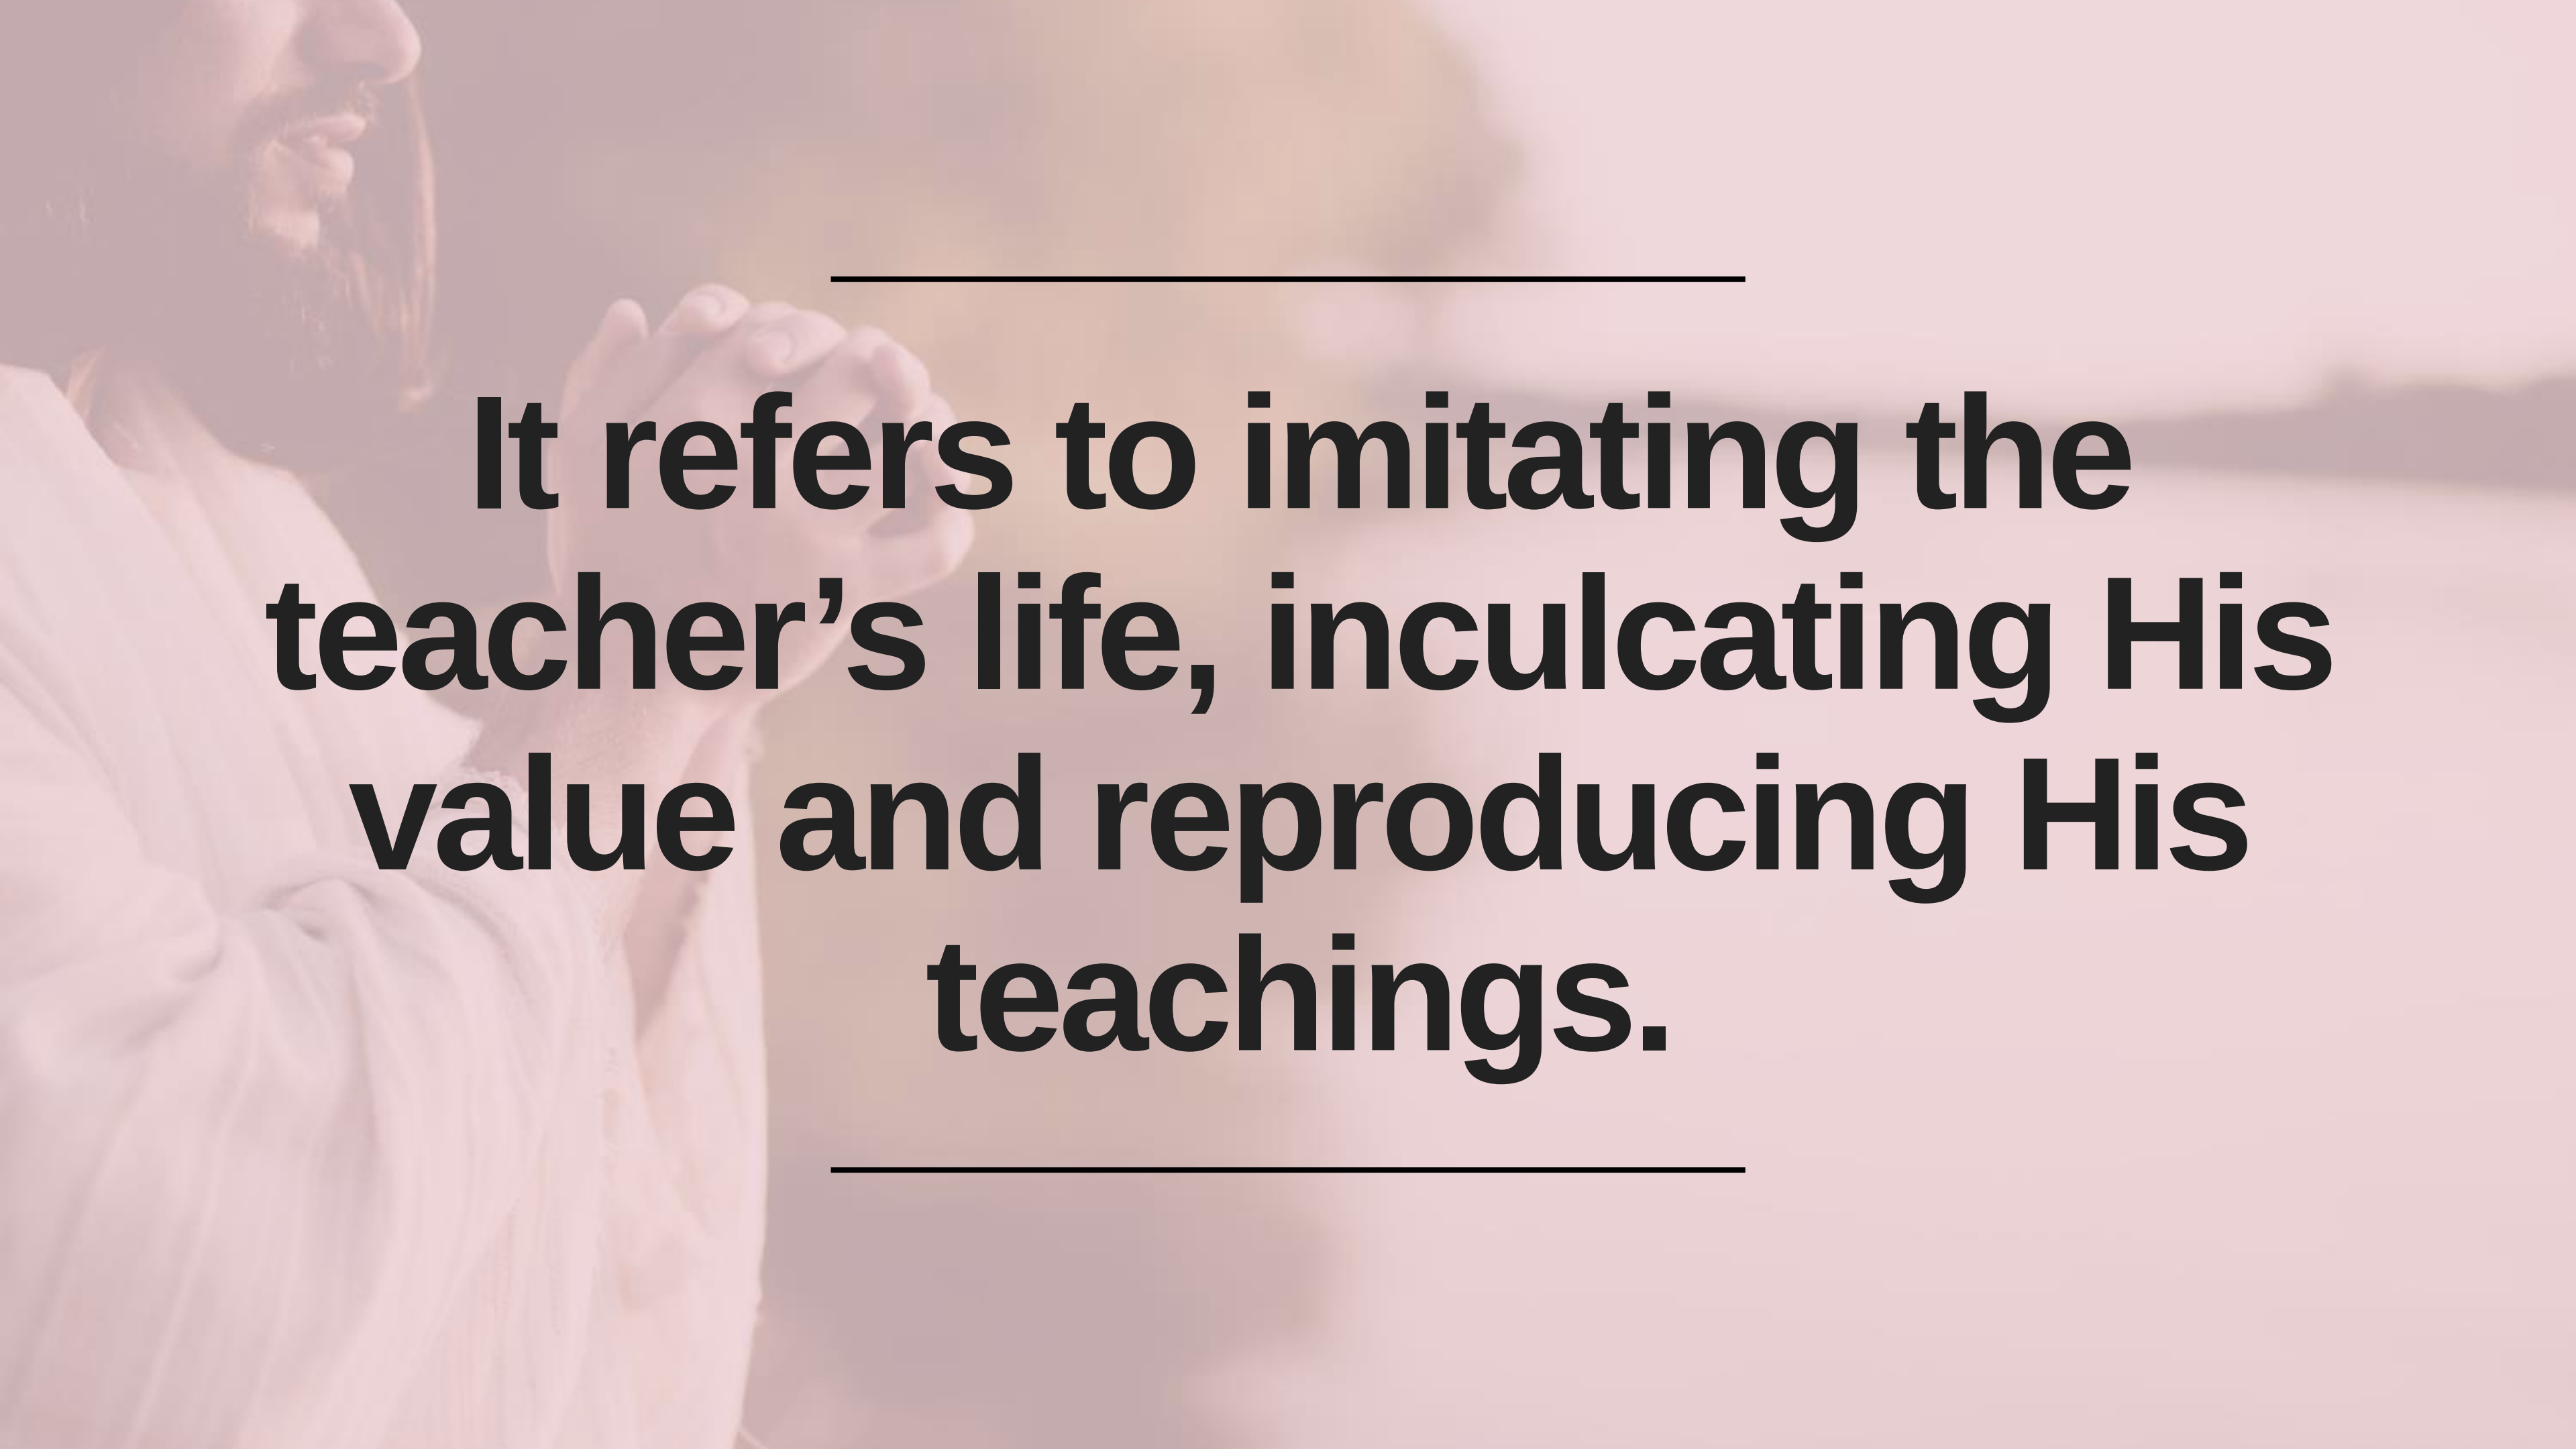

Discipleship is a widely-used word to describe a journey of spiritual growth.

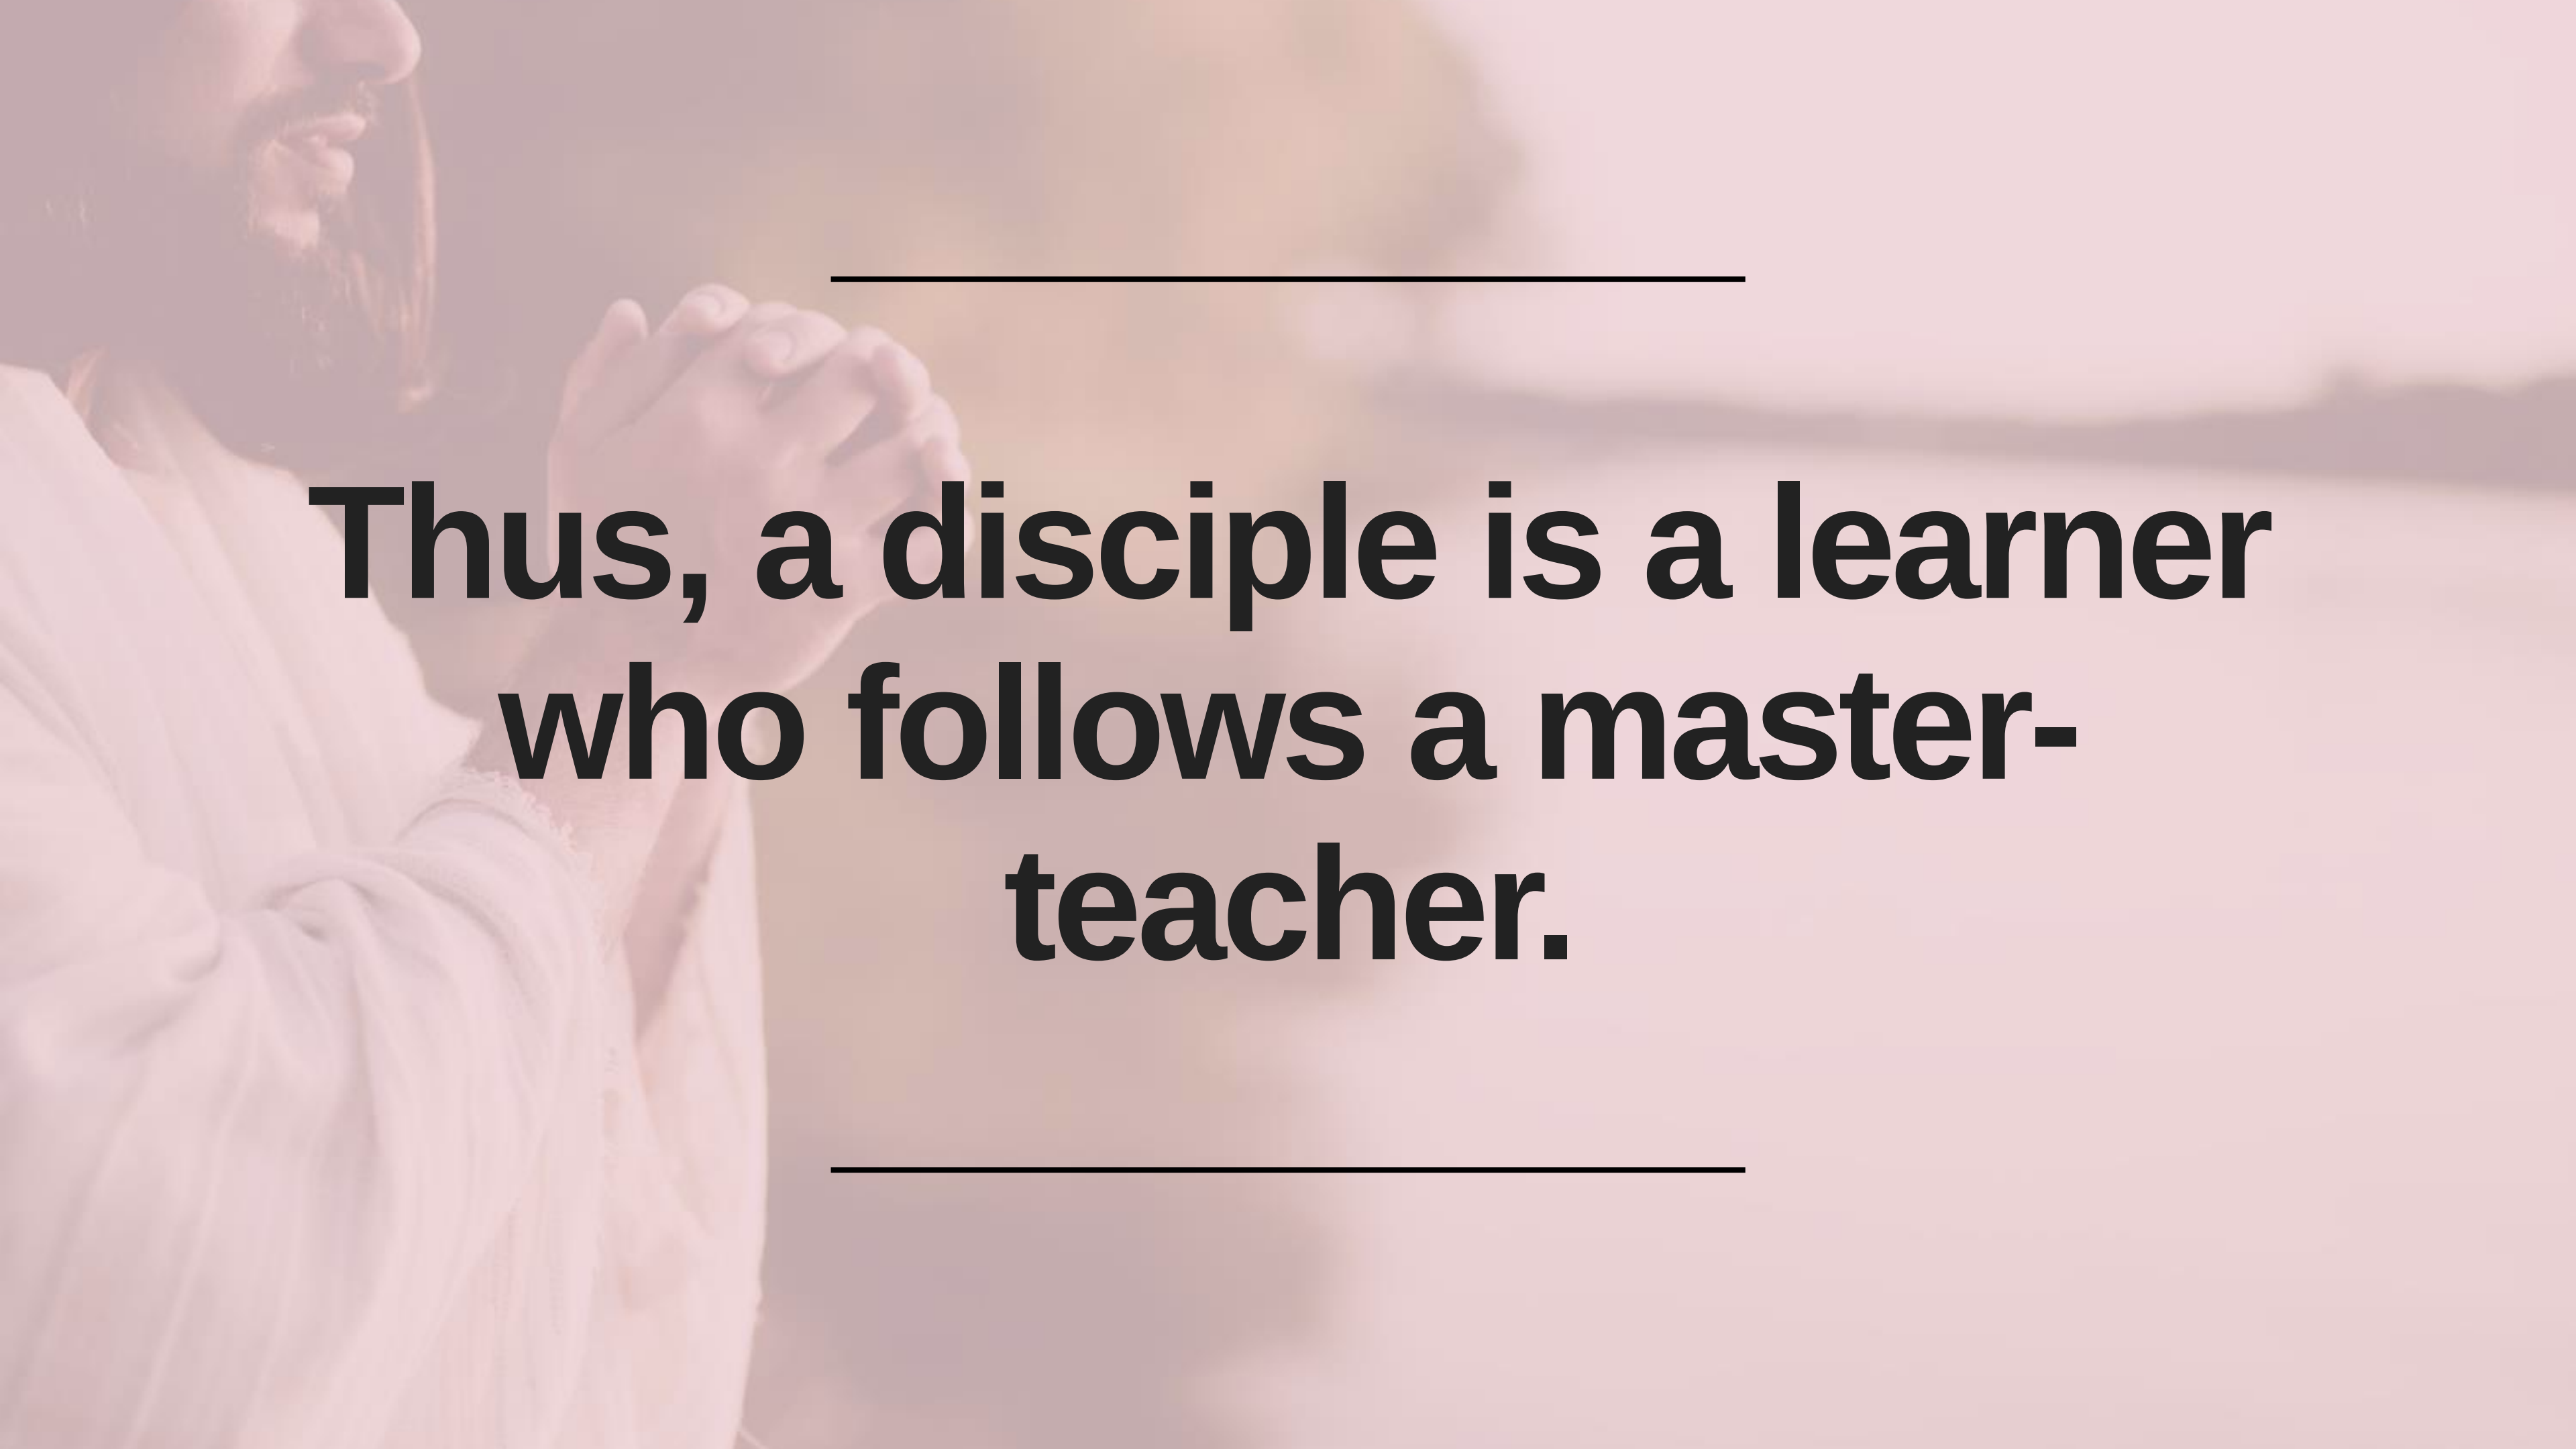

Christian discipleship is the process of making someone become like Christ.

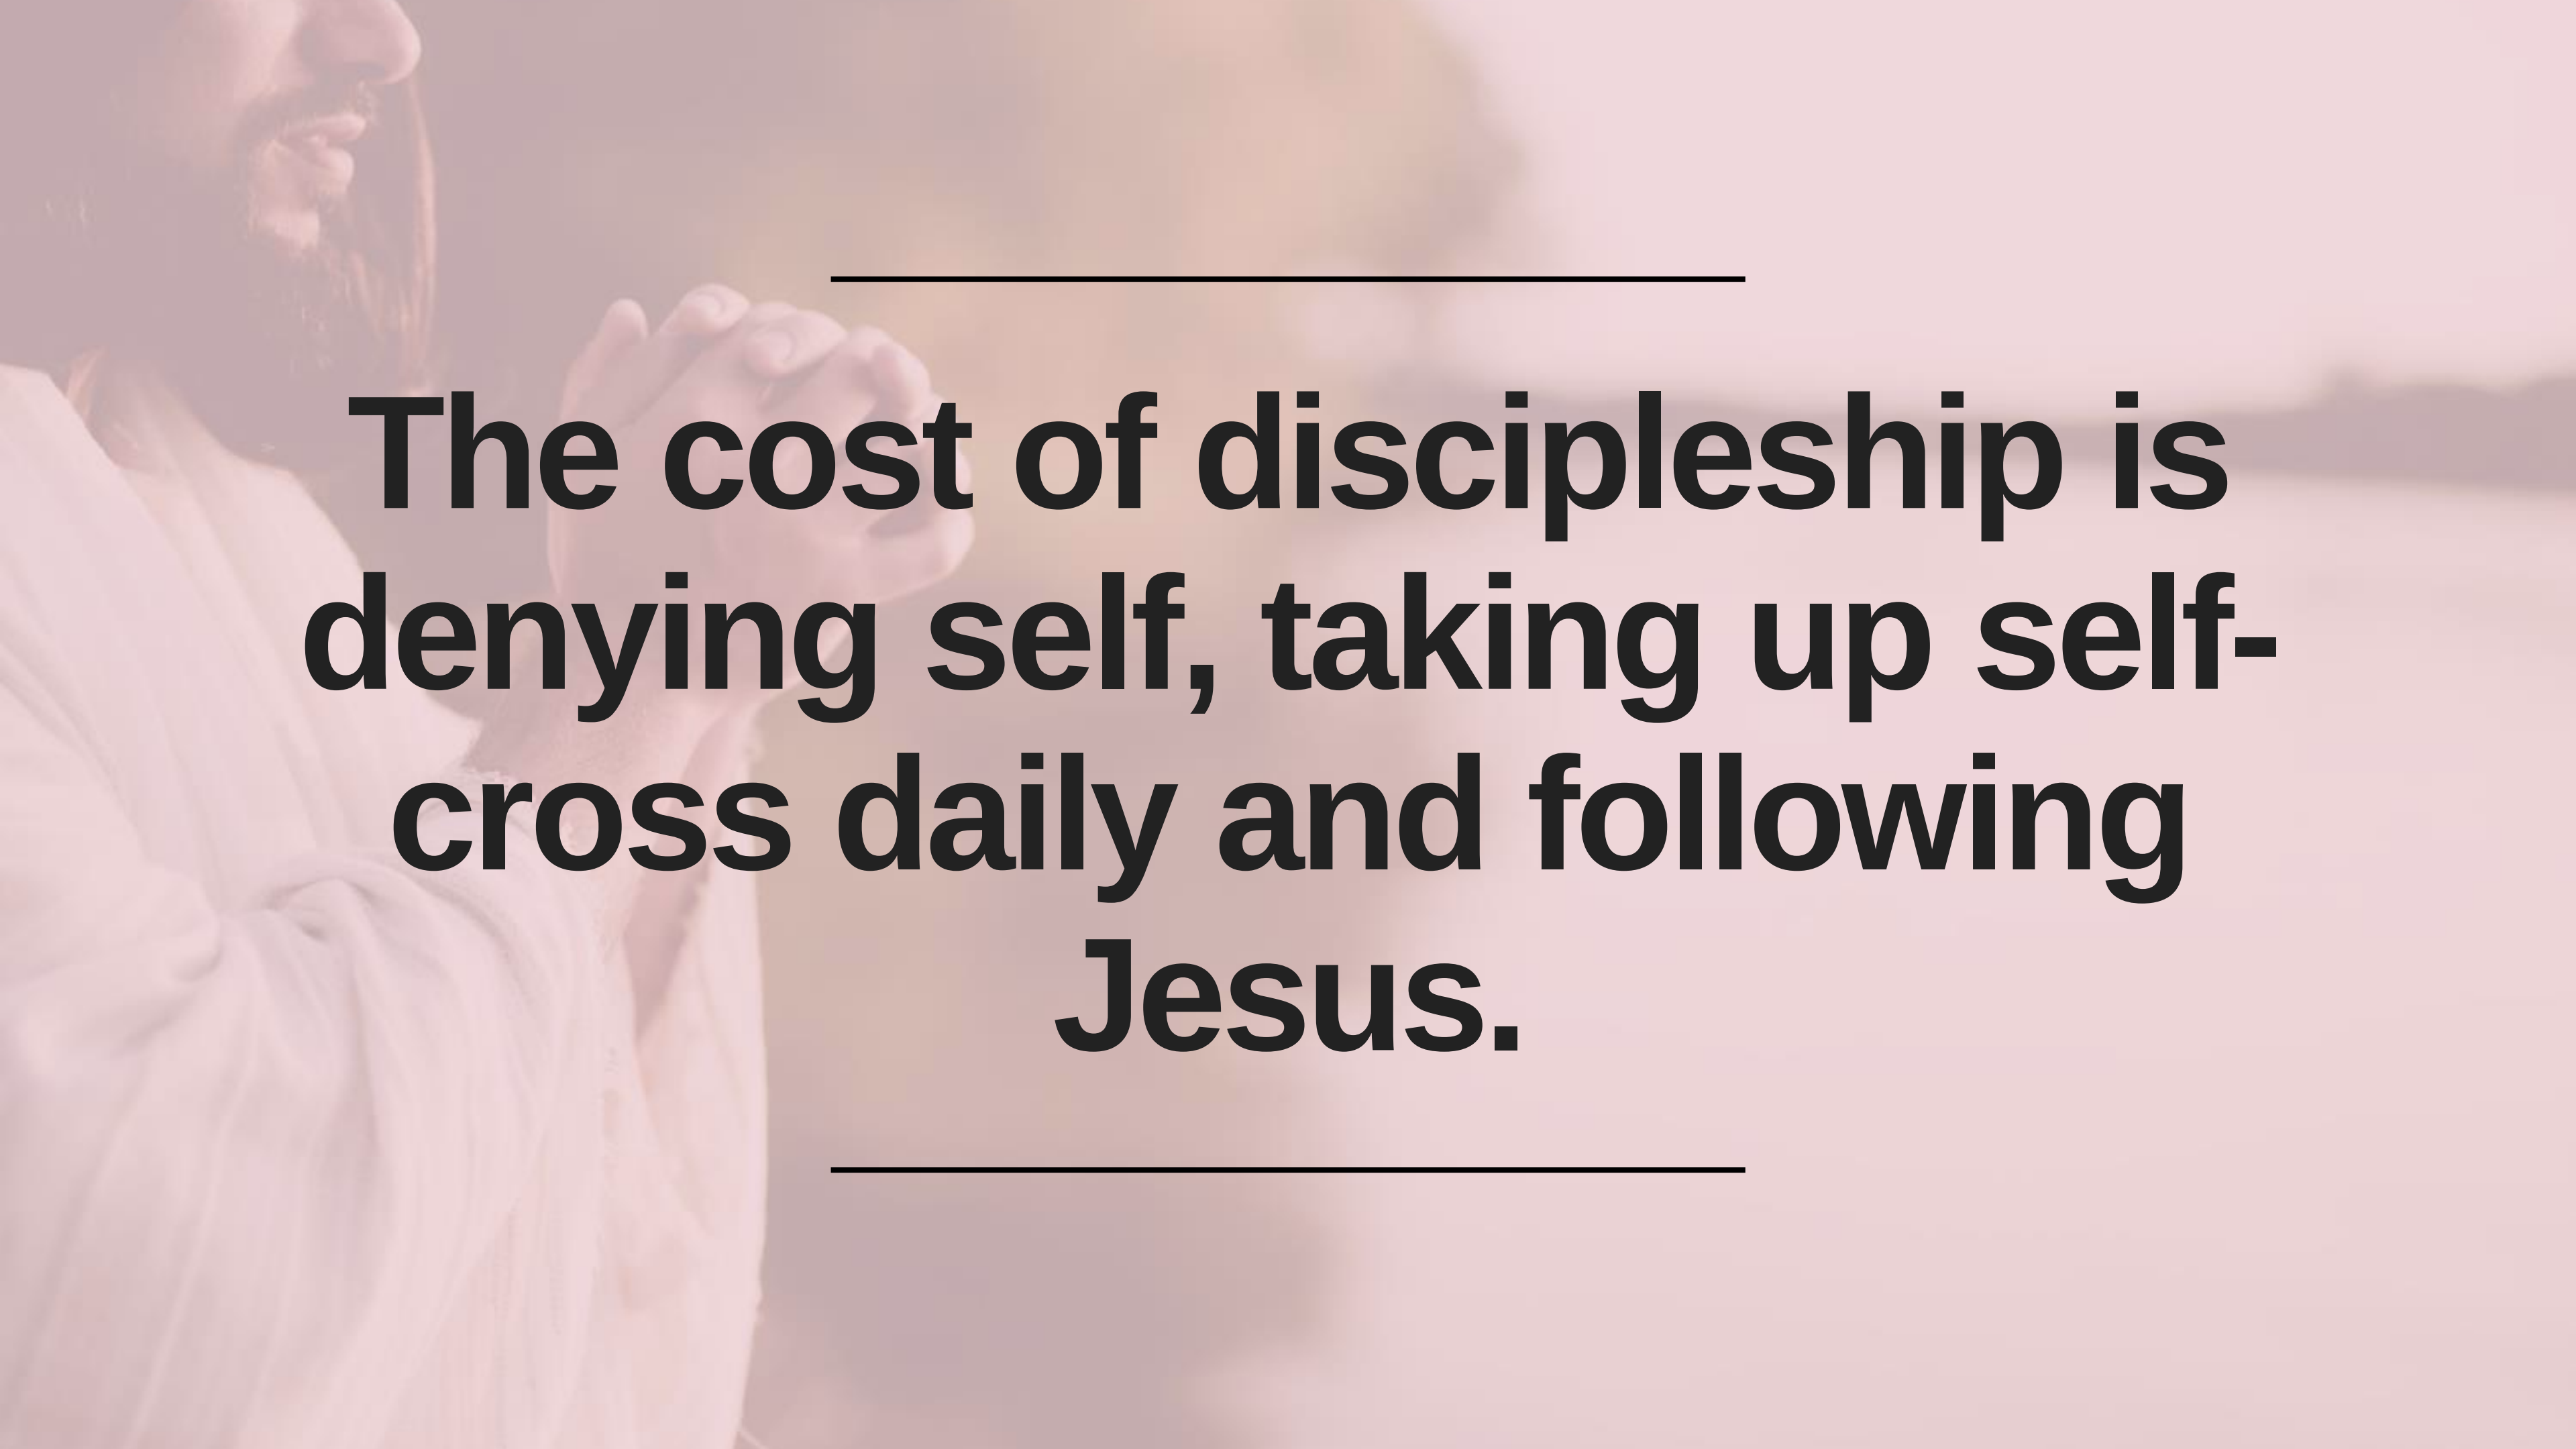

It refers to imitating the teacher's life, inculcating His value and reproducing His teachings.

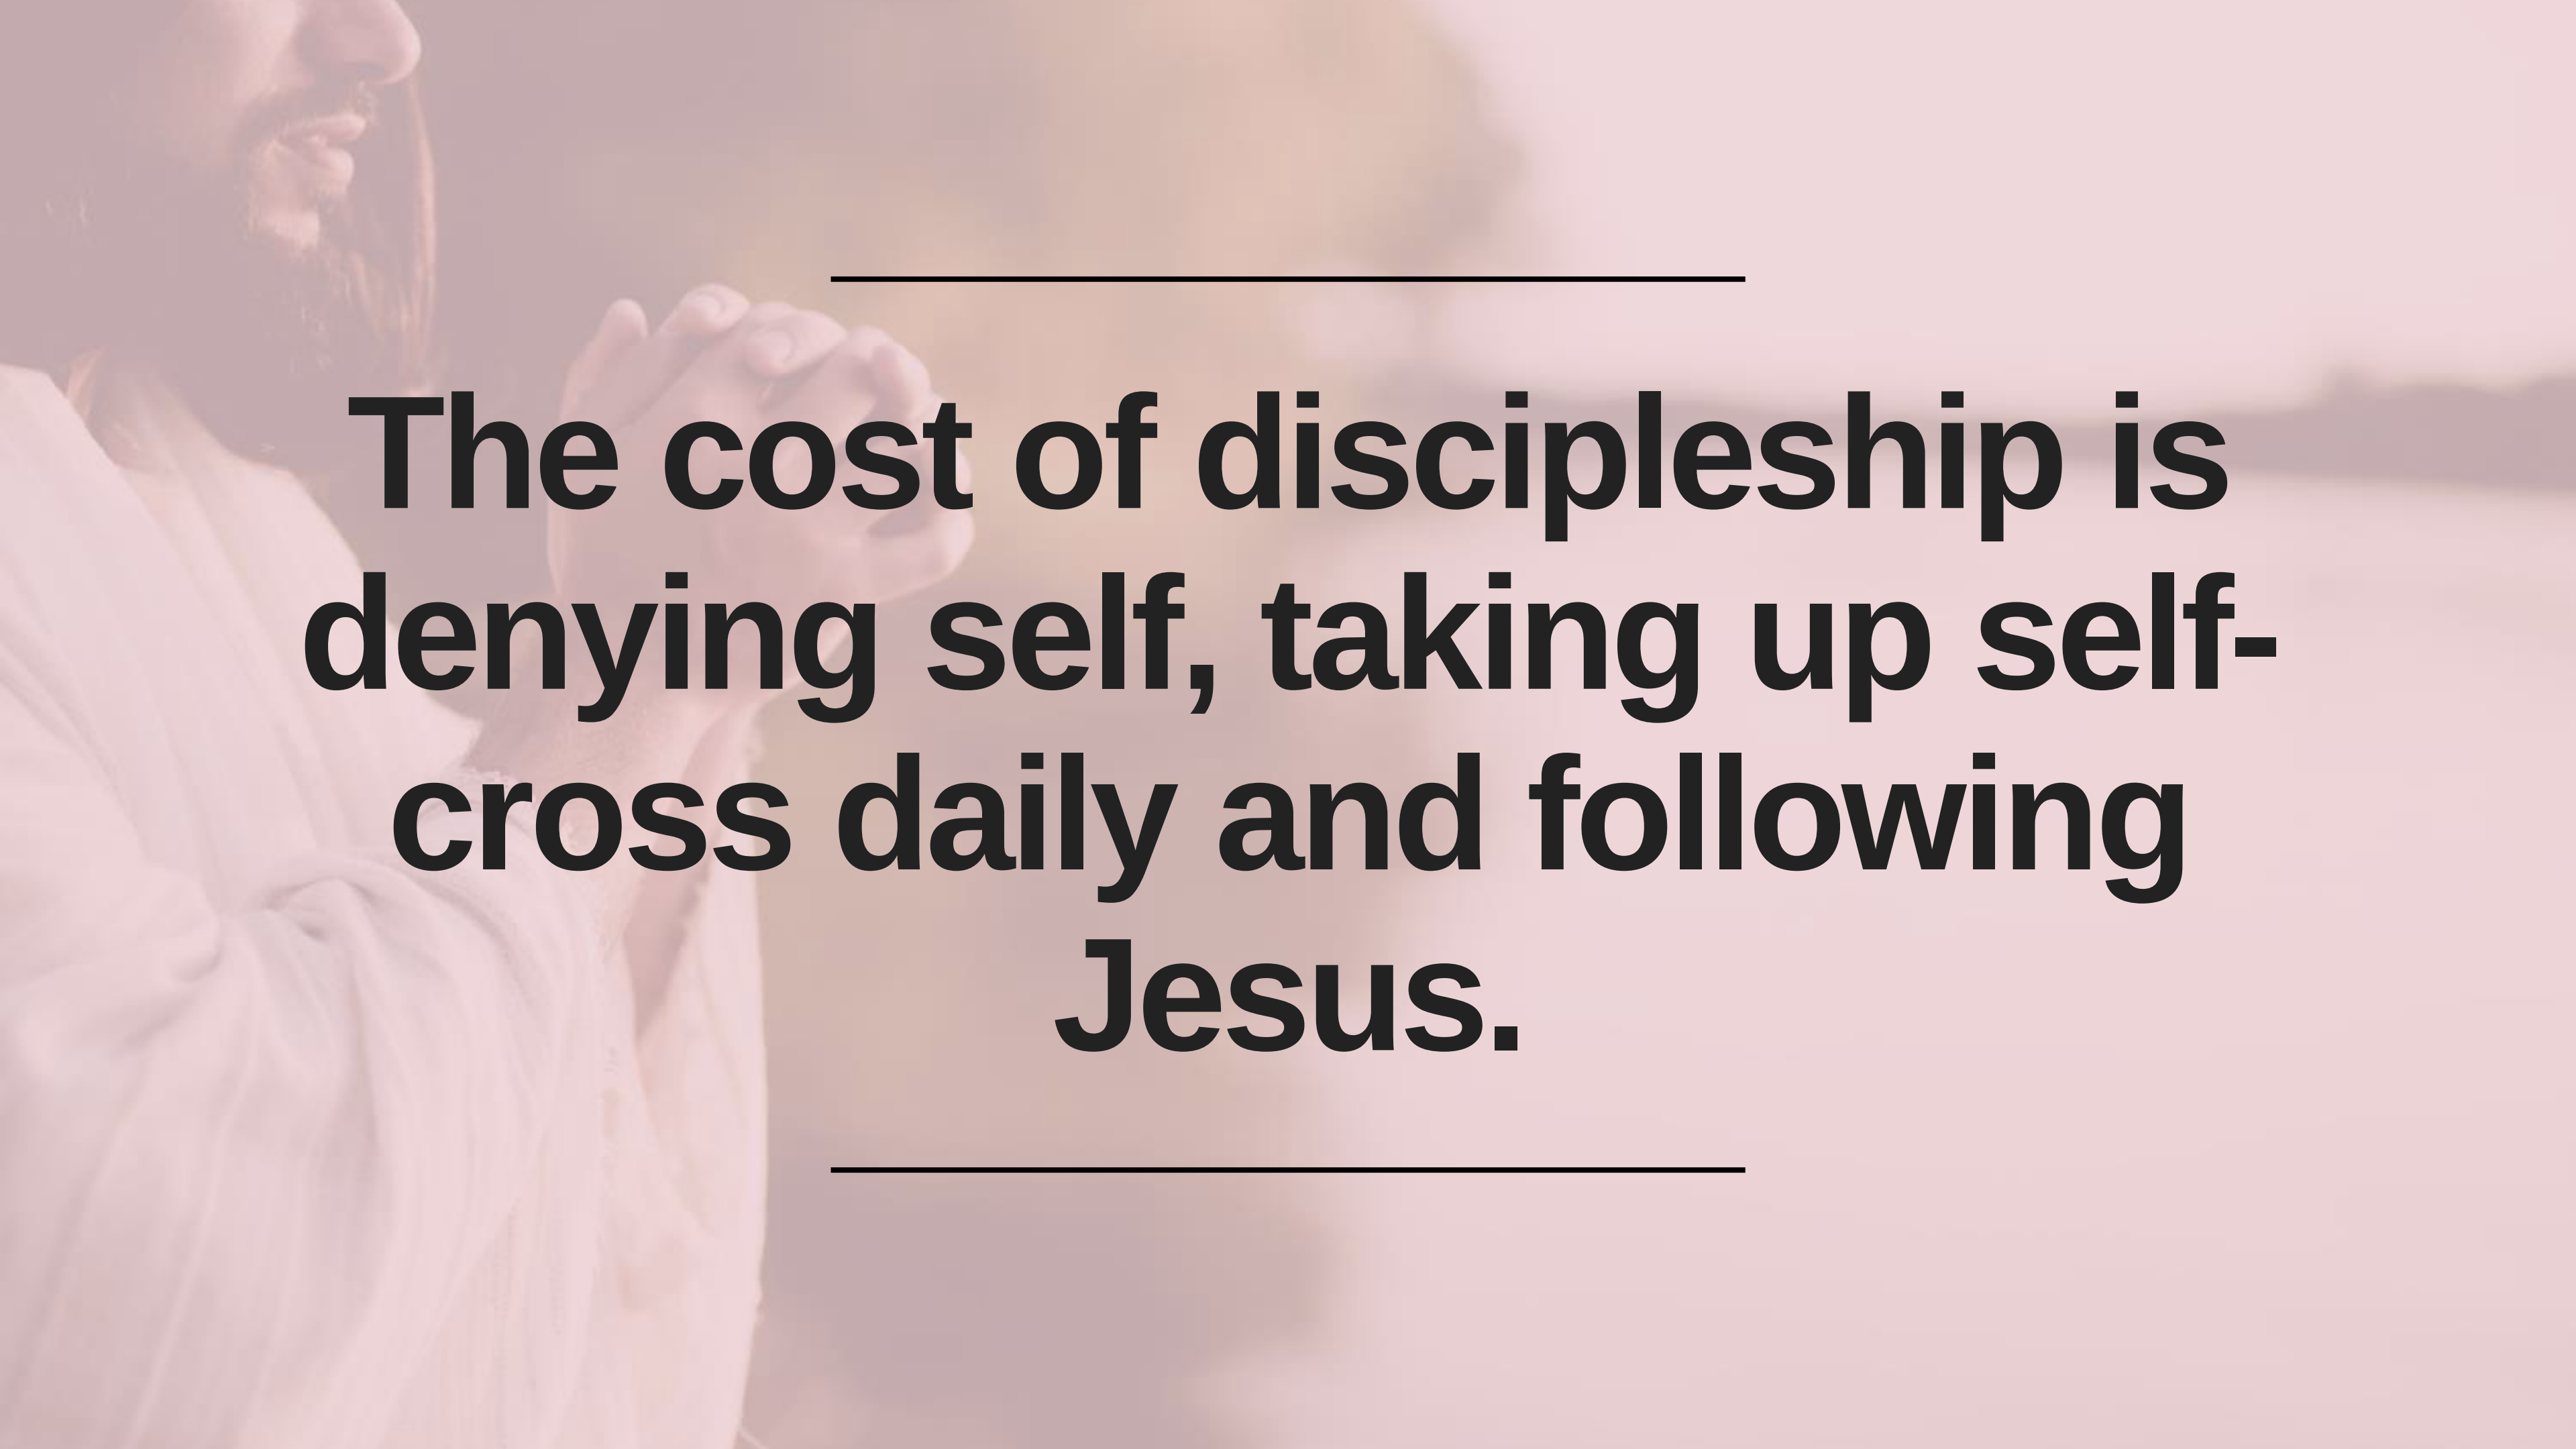

**The Greek word for disciple,
“mathetes,” means pupil,
learner, schoolboy, student,
apprentice...**

**Thus, a disciple is a learner
who follows a master-
teacher.**

The cost of discipleship is denying self, taking up self-cross daily and following Jesus.

The cost of discipleship is denying self, taking up self-cross daily and following Jesus.

Apostleship is the gift that instills missionary zeal in those who are sent out to preach the Gospel message to the unreached.

**Greek word “apostolos,”
means one who is sent out or
“person sent.” It applied to
any of the 12 disciples chosen
by Jesus Christ and Paul.**

**Today, we shall focus on how
to be a disciple and apostle
of Christ to make a home,
entering into newness.**

A person stands in the middle of a body of water, their back to the camera. The sky is filled with dark, dramatic clouds, and a bright light source, possibly the sun or moon, is positioned directly behind the person, creating a strong backlighting effect and a vertical beam of light that illuminates the scene. The water is dark and reflects the light from the sky. The overall mood is contemplative and spiritual.

**THE FIRST CALL:
TO BE WITH HIM**

**The purpose is to learn of
Him, learn from Him, and
learn with Him to become
more of Him – a disciple of
Christ.**
