COMPLETE OBEDIENCE IN MARRIAGE

Obedience in marriage does not attract God's attention until it is complete. Marriage as an institution is created by GOD to showcase total obedience to the world. The first marriage fell for lack of complete obedience (Gen 3:6).

God's expectation in marriage is that the husband, wife, and children will obey His commands completely without any reservation. God, who instituted marriage instructed how it should run. These instructions must be fully obeyed to provoke divine blessings to the fullest in marriage.

Brethren, your marriage will enjoy complete joy, peace and prosperity when your wife submits, your husband loves, and your children obey you in everything in the Lord. May God help us to do so in Jesus' name.

Full Obedience, is Key to My Breakthrough!!
