## Pastor's Corner

### COMPLETE OBEDIENCE

We are grateful to the Almighty God who has enabled us to witness 2024 Annual Revival and the blessings we have started receiving since its commencement. This year's revival is unique, considering the started date and its focus. May God complete His work as the revival comes to an end today in Jesus' name.

The theme for this year is very instructive for all Christians. Complete obedience is obedience in totality. Unfortunately, Christian life in this generation has been plagued with either disobedience or incomplete obedience. As a result, the Christian's authority has been weakened to pull down strongholds (2 Cor. 10:4-6).

Brethren, incomplete obedience is equaled to disobedience. Partial obedience is dangerous. What God requires from you this year is complete obedience as a key to your breakthrough. Will you do this?

Full Obedience, is Key to My Breakthrough!!

Key to My Breakthrough, is Full Obedience!!
