PASTOR'S CORNER

FATHERS ARE SUPERHEROES

We acknowledge and appreciate the grace of God in the lives of the fathers and for making 2024 Fathers' Day a reality today. The Heavenly Father has sustained and strengthened our fathers to stand as superheroes in the past one year despite the various challenges they face. For this and many more, we are eternally grateful to our gracious God.

Indeed, fathers are superheroes because of the multi-tasks they engage in to survive, sustain their homes, secure their future and serve God as well as their communities. In short, fathers who fought, conquered and won are superheroes. Such fathers deserve to be celebrated and honoured.

Brethren, you should know that every Christian has special deposit of God's grace in them to fulfill purpose. As fathers, the potentials in you are meant to make you an extra-ordinary person. Maximize your endowments for your next new level of superhero. On behalf of the church, I celebrate you, our fathers. I say you are the best superhero of our time. God bless you all.

Happy Fathers' Day.
