ANOINTING OIL

One of the religious practices that seems to appeal to many Christians is the use of anointing oil. This is done to appropriate God's providence in their lives and to protect their possessions. To anoint means, "to put oil upon the head or in any other way apply it to a person or to a thing".

The practice was prevalent and employed for several reasons, either religious or secular. Unfortunately, the use of anointing oil has been misconstrued and abused in our time. Such abuse has exposed the church to grave damage of her message and practice.

Brethren, the intention of this teaching is to correct the misconception on the meaning of James 5:13-16 which has served as the basis for the practice and use of anointing oil in some churches in Nigeria and beyond. Therefore, let us follow this teaching with an open-mind so that we can get fully what God has purposed for us.
