## PASTOR'S CORNER

### LIVING A CHRISTIAN LIFE

There are a lot of different teachings floating around, which are challenging to the Christian faith. These challenges include false teachings on the end-time doctrine, our focus last year and questions about what kind of persons Christians should be and how they should live. These are main difficulties Christians are faced with in these modern-days.

The issue of scoffers or false teachers as Apostle Peter referred to them is not specific to Nigeria; rather, it affects the entire world. The 2025 Annual Bible Study will address most of those questions. This year, the book of 2 Peter will be our study guide. We, thus, have "Living a Christian Life" as our theme.

Brethren, the essence of this study is to encourage a holy living for all Christians without which we cannot see the Lord. You cannot meet the requirements of Christ's Second Coming unless you offer our life as a living sacrifice to God. Therefore, you must live holy and godly live (2 Pet. 3:11)

Divine Kingdom, My place in Christ!  
My place in Christ, Divine Kingdom!

**See You Next Sunday!  
Have a great week ahead.**
