PASTOR'S CORNER

THE IMPORTANCE OF THE EYE

It is said that "eyes are the windows to the soul." No wonder the Bible says, The eye is the lamp of the body. If your eyes are healthy your whole body will be full of light. But if your eyes are unhealthy, your whole body will be full of darkness. If then the light within you is darkness, how great is that darkness! Matt 6:22-23.

While all the five senses are crucial, sight is often considered the most important. There are several instances when Jesus encountered the blind and He gave the "recovery of sight to the blind" as that is the part of His mission to bring spiritual and physical healing and liberation (Lk. 4:18; Is 61:1).

When Bartimaeus had a rare opportunity that Jesus was passing his way, he resisted every hindrance that wanted to stop him from getting Jesus' attention. Jesus gave him a blank check - 'what do you want me to do for you?' He did not request for wealth to be lifted out of poverty because he was a beggar but rather, he said "Rabbi, I want to see."

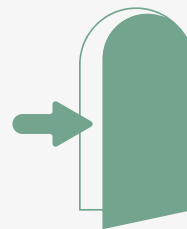

The importance of sight to the body and man's general well-being cannot be over emphasized. Several things may lead to improper functioning of the eye, or total loss of sight. One of such conditions is Glaucoma. March 9th to 15th, 2025 was assigned as the world glaucoma week organized by World Glaucoma Association to raise awareness about glaucoma and the importance of early detection.

We need to take a very good care of our eyes both spiritually and physically. What we do with our eyes, and what we do for our eyes go a long way in determining how healthy and lasting they (the eyes) and by extension our lives would be.

May the Lord make us physically and spiritually healthy in all ways as we walk and work in His Kingdom in Jesus' name.
