PASTOR’S CORNER

YOU AND YOUR LIVER

Blessed be God, the Father of our Lord, Jesus Christ who has blessed us with every spiritual blessing in the heavenly realm. These spiritual blessings include good health. We thank God for another Health Week that has come to reality today and the Medical Ministry for all that you do to take good care of us. May the name of the Lord of peace continually be glorified in our lives in Jesus’ name.

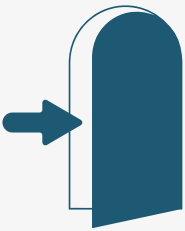

The theme for this year is “You and Your Liver.” The liver is the largest internal organ in the body performing about 500 functions daily to maintain life and health. Life is not possible without a functioning liver. However, because of its position and functions in the body, liver is exposed to many agents that can cause diseases.

Brethren, this year health week topic exposes Baptist members and other persons to a brief description of the liver, different types of the liver diseases and their causes and what individuals are expected to do to maintain liver health. Therefore, let us ensure we maximize this opportunity we have to learn and make best use of the knowledge to live a healthy life. May God cause every internal organ of our bodies to function perfectly in Jesus’ name.

Happy Health Week!
