PASTOR'S CORNER

SUPPORTING THE MINISTRY OF OUR PASTOR

As we celebrate Pastor's Day, we need to be reminded of our duty to always lend a helping hand to the ministry of our Pastor. It is also important to note from the scriptures that a major reason why the ministry of our Lord Jesus Christ and those of the apostles of the New Testament and prophets of the Old Testament were successful was because they were reliably and consistently supported by followers, members and the people they were called to minister to. This is a consistent pattern throughout the Bible and our church needs to sustain this by being intentional about it.

We can support the ministry of our Pastor by being burden bearers, impactful influencers, prayer partners, problem solvers, connectors, peace keepers and generous givers. Each of us can through the grace of God given to us contribute to the advancement of the ministry of the man of God thereby advancing the frontiers of the Kingdom of God. The disciples, Mary Magdalene, Mary and Martha, other women and notable individuals consistently attended to the needs of Christ throughout His ministry on earth. (Luke 8:1-3, Matthew 27:55-56). The ministry of Paul was sustained through the support of the churches and individuals from place to place.

It is therefore important that the stewardship of our status, time, influence and other resources should be readily available for the advancement of God's Kingdom even as we work with our Pastor. Today's Pastor's Day gives us the opportunity to renew our commitment to the Kingdom of God as we continue to work with our Pastor in God's vineyard.

HAPPY PASTOR'S DAY!
